Greensboro, NC 27409

Dear Mr. Rogers:

This office has completed the evaluation of the Repair Station and Quality Manual Document Number FPS-MS-00008 dated February 15, 2005, Revision A. The Process Specification part Number 1740996 applicable to "Purolator Bowl Assembly" has also been reviewed.

This letter serves as formal acceptance by the FAA for both the aforementioned documents. This acceptance letter should be made a part of your computer accessible documents available to personnel using the Repair Station/Quality Manual and the specific Process Specification.

This office has completed the evaluation of the certification application your company has submitted and has issued the following Air Agency Certificate # X5UR953X and Operations Specifications. Please accept our congratulations on a job well done. We look forward to working with your company in the future.

Sincerely,

A handwritten signature in black ink that reads "Daniel J. Ernest".
